**Subject:** RE: [REDACTED] - 2005 analysis

Thanks for the heads up. Do you know if it is actually scheduled for trial, or just going into the trial pool? If it does start that day, do you think that you would get to me on the 18th, or a subsequent day?

Also, I need the drug analysis number(s) for the drug submission(s). The numbers are listed on the drug certificates as well as on the submissions as well. Thanks.

-Sonja

I just want to give you a heads up that this case is scheduled for trial on Friday, January 18, 2012. You will be receiving official notification promptly.

Thanks. If you need any information, let me know.
